CONSENT ORDER

TO PRACTICE NURSING IN THE
STATE OF NEW JERSEY

The New Jersey State Board of Nursing is charged with the duty and responsibility of regulating the practice of nursing in the State of New Jersey pursuant to the Nurse Practice Act, N.J.S.A. 45:11-1 et seq. and regulations set forth in N.J.A.C. 13:37-14.1 et seq.

Pursuant to N.J.S.A. 45:11-23, all homemaker-home health aides ("CHHA") are required to be certified by the Board as they are performing nursing tasks delegated by a licensed registered professional nurse. N.J.A.C. 13:37-6.2 requires that the registered professional nurse shall be responsible for exercising that degree of judgment and knowledge reasonably expected to assure that a proper delegation has been made including that a registered professional nurse may not delegate the performance of a nursing task to persons who have not been adequately prepared by verifiable training and education.

RECEIVED
DIVISION OF LAW

Lisa Michelle Rozycki ("Respondent") holds New Jersey license 26NO12442900 as a Registered Nurse with the Board. Respondent is employed by Senior Care Management ("Senior") in Ewing, New Jersey as a Registered Nurse. The current Board registration renewal for Senior lists Respondent as Nursing Supervisor.

Through its investigation, the Board has determined that while serving as Senior's Nursing Supervisor, Respondent engaged in violations of N.J.S.A. 45:11-23 and N.J.A.C. 13:37-6.2 and N.J.A.C. 13:37-14.3 by failing to fulfill the duties of Director of Nursing; failing to ensure that aides assigned to clients who required personal care were Certified Homemaker-Home Health Aides; failing to confirm and document that the care provided did not exceed the scope of the delegated tasks and procedures; and/or that the delegated tasks were performed in a satisfactory manner.

Given the above, the Board finds that Respondent has violated the statutes and/or regulations governing the practice of nursing pursuant to N.J.S.A. 45:1-21(h).

The parties being desirous of resolving this matter, without admissions, and the Board, being satisfied that entry of the within Order obviates the need for formal proceedings, and being further satisfied that the within disposition is adequately protective of the public health, safety and welfare, and for good cause shown

IT IS, therefore, ON THIS 28 day of May, 2013, ORDERED and AGREED that:

1. Respondent is hereby reprimanded for violating the statutes and/or regulations governing the practice of nursing.
2. Respondent is assessed an aggregate civil penalty of \$3,500 pursuant to N.J.S.A. 45:1-25 for the violations described herein.

3. Respondent shall reimburse the Board's investigative costs and fees totaling \$29,629.07 pursuant to N.J.S.A. 45:1-25(d). The payment of said costs and fees shall be suspended provided that Respondent complies with the terms of this Consent Order and the rules and regulations governing the practice of nursing in the State of New Jersey.

4. The Board shall retain jurisdiction to enforce the terms of this Order. Upon receipt of any reliable information indicating that Respondent has violated any term of this Order, the Board reserves the right to bring further disciplinary action.
